

TECHNICAL DATA SHEET

QT Disc Brake Silencer

DESCRIPTION: QT is the fastest and most effective way to stop disc brake squeal. The high temperature and water resistant properties assure long term effectiveness. Use QT when brake squeal is present or when replacing pads.

USES: *Cars *Trucks *Motorcycles

DIRECTIONS: Spray the back of the pad with an even coat. Allow QT to dry until it is sticky, but not wet. NEVER SPRAY ON THE FACE OF THE PAD.

PACKAGING: 16 oz 12/case

STORAGE: Do not expose to heat or store at temperatures above 120°F.

SPECIFICATIONS:

Color	blue	Phosates	N/A
Specific Gravity	N/A	Flash Point	N/A
Cleaning	N/A	Effect on Paint	none
Odor	solvent	pH	N/A
Density	N/A	Freeze Stable	yes
Degreasing	N/A	Corrosion to Steel/Aluminum	none

PRODUCT #: C1627
