**Does it again with another problem solving gm pickup auto
part!!**

Tired of replacing your tailgate cables?

- New stainless steel tailgate support straps are your answer!
- Completely stainless steel, including rivet.
- Mounts the same as the cable supports, using the same hardware.
- 15 minute installation time.
- Same strap used for both sides of the tailgate.
- Stronger and more durable than cables.
- Currently available for 1999 - 2004 General Motors Full-Size Pick-up.

One hinge does one side

Minimum order 4 pieces.
